

Everyday **TIPS** for toxic household products

Shop smart.

- ✓ Read the label
- ✓ Avoid products labeled 'danger' or 'poison'
- ✓ Choose safer options

Use products with care.

- ✓ Store products away from children and pets
- ✓ Follow safety instructions
- ✓ Ventilate when you clean
- ✓ Send less down the drain

Dispose of products safely.

- ✓ Call 1-800-RECYCLE or your city or county garbage utility

Hazardous chemicals used in everyday products can be harmful to children, pets, and people in poor health. Learn more.

**Keeping you and your family safe —
Washington's land,
water, and air healthy**
