

You just had a spill...Now what?

Stop fueling immediately.

If **DIESEL**, use absorbent pads to contain and clean up the spill. Triple bag the used absorbents and make sure they are disposed of properly.

Never use soap or detergents on spills. It's illegal and harmful.

Call: 800-OILS 911, Washington State and
800-424-8802, U.S. Coast Guard and
