Well Drillers Quick Reference

Well Construction and Licensing Office

Don't Lose Out, Renew Your License!

Earn 14 CEUs - every 2 year license period,
2 CEUs must be Rules and Regulations.

Approved Continuing Education Classes

Listings of approved continuing education courses (updated as new courses are approved) are included in the following links:

- **Approved Courses**
When applying for a new license, or renewing your existing license, this is a great place to check and see if any classes you have taken in the past qualify for continuing education units.
http://www.ecy.wa.gov/programs/wr/wells/ceu_approved.html
- **American Red Cross**
Classes offered, enroll online.
<http://www.redcross.org/wa/seattle>
- **Washington State
Department of Labor and Industries**
Currently scheduled workshops.
<http://www.lni.wa.gov/Safety/TrainingPrevention/workshops/default.asp>

Continuing Education Preferred Providers

All Continuing Education classes must be given by a Preferred Provider. For a list of preferred providers:
http://www.ecy.wa.gov/programs/wr/wells/cont_e_du_provider.html

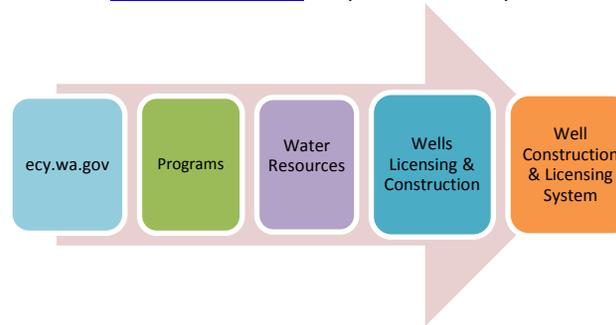

Important Reminders!

- Confirm the number of CEUs needed and look for courses that enhance drilling knowledge and professional skills.
- Obtain prior approval for course work whenever possible.
- Maintain records of approved training courses. You will need to show documentation of course work when applying for a drilling license, or applying for a renewal of a drilling license.
