

4.6 DECLARATION OF CONSTRUCTION COMPLETION

Within 30 days following substantial completion of construction or modification of a dam, the project engineer shall submit to the DSS a declaration stating that the project was/was not constructed in accordance with the DSS approved plans and specifications and construction change orders. The following declaration form may be used or altered, as appropriate, by the project engineer.

DECLARATION OF DAM CONSTRUCTION COMPLETION	
In accordance with WAC 173-175-230, the undersigned professional engineer states that:	
He/she, or a designated representative under his/her supervision, was present during construction to observe construction activities, and that he/she has reviewed the results of the field testing of materials, and to the best of his/her knowledge, the following dam project, _____, was/was not constructed in accordance with the _____ (Project Name) approved plans, specifications, construction change orders, and construction inspection plan. Based on the forgoing, the project can/cannot be put into service.	
_____ (Name)	_____ (Date)
P.E. Seal and Signature
